Dear Dr. Vandana,

I hope this message finds you well. We are very pleased to invite you to conduct a Biosafety Training Seminar at Bennett University, organized by our Institutional Biosafety Committee, on 14th May 2025 at 2:30 PM. The session will be attended by our research scholars and laboratory staff and will focus on key aspects of laboratory biosafety. We would be grateful if you could cover the following topics during your lecture:

- Overview of Biosafety Levels
- Best practices for laboratory conduct and safety
- Waste disposal and handling of biological materials
- Emergency procedures and incident response

Following your session, an evaluation of students will be conducted to ensure their understanding and adherence to biosafety standards. We look forward to your valuable guidance and expertise in this important training initiative.

I also request you to share your preferred drop-off and pick-up location so we can make the necessary transport arrangements for your visit on the 14th.

Warm regards,
Vaishali Verma
