December 15, 2017

To Whom It May Concern:

This letter is to certify that Dr. Anant Pandey was employed full-time as a Postdoctoral Researcher with the Department of Physics & Astronomy at Louisiana State University from July 17, 2017 to December 31, 2017.

Dr. Pandey conducted research on multiple radiation therapy research projects related to the improvement of outcome of radiation therapy, including treatment planning and treatment delivery, in-vivo patient dose measurements, mathematical modeling, Monte Carlo simulation etc.

If you require additional information, please contact me at 225-578-2262 or laurie@phys.lsu.edu.

Sincerely,

A handwritten signature in blue ink, appearing to read "John DiTusa", with a long horizontal line extending to the right.

Fighting Cancer For Over 40 Years.

December 22, 2017

Final Progress Report and Experience Certificate

To Whomsoever It May Concern,

This is to certify that Dr. Anant Pandey has worked as a Postdoctoral Researcher/Fellow in Medical Physics under my supervision at the Department of Physics & Astronomy, Louisiana State University, Baton Rouge, Louisiana, USA from July 17th, 2017 to December 31st, 2017 (with December 22nd, 2017 as the last day of actual work followed by vacations). His research work in the field of radiotherapy treatment planning of cancer (role of imaging) has been quite satisfying. I wish him good luck for the future.

Sincerely,

Rui Zhang, PhD, DABR
