Subject: Invitation for conducting a virtual session on "Identifying Wildlife Through Indirect Signs"

Dear Ma'am,

It gives me great pleasure to invite you as a Guest Speaker to address our students of class VIII in the session on "Identifying Wildlife Through Indirect Signs". Your thoughts will enable the students to develop a keen interest in wildlife and its conservation and they would also be able to gain knowledge through your expertise and experience.

The date for the workshop is 7th August 2020. The session would begin at 10:35 Am. The duration of the programme will be 20 minutes. Kindly communicate your acceptance at the earliest. This will enable us to make preparations for a successful lecture. The invite would be sent 10 minutes before the session through Google Meet. Please keep it interactive. Anticipating a favorable response from your end.

Thanking You,
Best regards
