TO WHOM IT MAY CONCERN

This letter is to serve as conformation that **Dr. Seella Ramanaiah** conducted research at the DryProTech Lab, Chemical Engineering, Indian Institute of Technology Gandhinagar, Gujarat as Visiting Researcher from 01-07-2014 to 14-07-2014.

Dr. Ramanaiah conducted his research in the area of surface energy characterization of pharmaceutical drugs using Inverse Gas Chromatography (iGC-SEA-Surface Energy Analyzer, SMS). During this visiting programme his character and conduct was good.

Sincerely,

(CHINMAY GHOROI)
