**Date:** Wednesday, 13 August 2025

**Respected Sir,**

We respectfully request your kind consideration for the establishment of an official chapter of the **International Finance Student Association (IFSA)** at Sri Venkateswara College.

IFSA, founded in 2014 at the Rotterdam School of Management, has grown into the world's largest student-run finance network, with over 30 chapters globally. It is affiliated with several top-tier institutions, including **Harvard University**, **University of Oxford**, and the **London School of Economics**, and maintains a strong presence in India through chapters at **SSCBS, Hansraj College, and Shri Ram College of Commerce**, among others.

Its core mission is to foster leadership, professionalism, and financial expertise among students through international case competitions, trading simulations, skill-building workshops, and industry collaborations.

The establishment of a chapter at our college would:

- Enable our students to participate in high-level global competitions and conferences
- Connect them to a global network of finance enthusiasts and professionals
- Provide access to live projects, mentorship, and industry exposure
- Significantly enhance our academic and professional learning ecosystem

We are committed to ensuring this chapter operates in alignment with the college's standards and values and contributes meaningfully to our students' holistic development.
