Sub: Requesting Permission for a field-visit to Purana Qila on 22nd November 2024

Dear Sir,

The students of Department of History and General Elective Paper, Delhi Through the Ages, would like to organize an educational field visit to the Purana Qila, New Delhi, on 22nd November 2024 (Friday) at 1pm afternoon after the classes get over. Visit to a historical monument is mandatory for History students as it gives them first hand experience to understand the intricacies of architecture, artistic sensibilities, technology applied etc. of a bygone era. It gives the students a more relatable perspective which makes the study of History more enjoyable. The visit holds special significance for First year G-E History, 'Delhi Through the Ages', students, as it aligns closely with their curriculum. Experiencing History beyond textbooks can be highly enriching and contribute to a deeper grasp of the subject matter.

A group of around 80 students have shown interest in the field visit. The list of their names, roll numbers and mobile numbers are attached for your reference.

Four Teachers from History Department will accompany the students to the historical monument.

We would be highly obliged if you would grant us permission for the same.

With Warm Regards
Nuti Namita

Forwarded
Sir, kindly permit
V. V. V. V.
(IQAC coordinator)

Nuti Namita

Is it mandated under the syllabus of any of the papers of the said course? Why can't this trip happen on a Saturday afternoon or Sunday?
