Dr. Laishram Saya Devi,

Congratulations on receiving the Best Research Paper Award 2023-24!

As a recipient of this award, you are eligible for a Research Grant of Rs. 20,000/- under the SRIVIPRA Minor Research Project Scheme in 2026. In appreciation of your scholarly contribution, the one-time grant is aimed at providing you with this financial support of Rs. 20,000/- for six months to support you in continuing your research, while also providing the students of Sri Venkateswara College an opportunity to participate in a research internship under your supervision.

You are requested to kindly propose a 6-months project under **SRIVIPRA 2026** in order to avail the one-time research grant. Please note that you will be able to claim this grant in the year 2026 only. The guidelines and project proposal template will be shared with you by the SRIVIPRA committee.

Kindly note that the deadline for proposal submission is **27th May, 2026**.

With best wishes,

Dear sir,

Thank you so much and I feel really privileged and grateful to be receiving the award as well as the research grant. I am hereby submitting the research proposal for the six months internship program as per the proforma provided.

Thanks and Regards.
