Dear Ma'am,

I am happy to inform you that I have been awarded a minor grant of Rs 2,00,000/- by Cadila pharmaceuticals Pvt. Ltd. for evaluating the effect of COVID lockdown on Neem trees of Delhi, something that I had been working on since May 2020.

I would appreciate it if you could kindly permit me to accept the grant in the college main account and to transfer it to API lab account once we receive it.

Thank you

Yours sincerely

Vartika
