

About the Authors

Dr. Shikha Gulati has been teaching Chemistry in University of Delhi, since 2012 and presently working as an Assistant Professor in Sri Venkateswara College, University of Delhi. She holds a Master and Bachelor degree from the University of Delhi. She joined Green Chemistry Network Centre (GCNC), Department of Chemistry, DU in 2009 as a Doctoral student. She has authored several research papers in International Journals, and written several books as well as chapters in diverse books. Her areas of interest include Green Chemistry, Catalysis, Nanotechnology, Analytical Chemistry, Coordination Chemistry and Molecular Modeling. She has also demonstrated Green Chemistry experiments in several National & International workshops across India.

Dr. Shefali Shukla has been teaching Organic Chemistry in University of Delhi, since 2002 and presently working as an Assistant Professor in Department of Chemistry, Sri Venkateswara College, University of Delhi. She did graduation and Ph.D from DU, post graduation from Indian Institute of Technology (IIT) Delhi. Her research interests include Natural product chemistry, Medicinal chemistry, Green Chemistry and Nanotechnology. She has published several research papers in international journals of high repute.

Dr. Sanjay Kumar Batra, presently working as an Associate Professor in Sri Venkateswara College, University of Delhi, has an experience of twenty five years of teaching physical chemistry. After completing Ph.D, he has also worked as a post-doctoral fellow at IGIB, New Delhi in the field of molecular immunology. He is the author of several books and has published several research papers in international journals of high repute in the areas of Nanotechnology, Green Chemistry, Molecular Spectroscopy, Molecular Immunology and Cancer research.
